ABOUT US

Since 1992 the New York State Center for School Health (NYSCSH) has been a contracted technical assistance center of the New York State Education Department (NYSED). We provide support and assistance, health and education resources, and professional education for School Nurses, Medical Directors, Health Educators, and other allied school health professionals.

OUR MISSION

To promote the health, learning, and overall well-being of all students, thereby strengthening and improving academic performance.

**A COMPREHENSIVE
SCHOOL HEALTH
RESOURCE**

WE'RE HERE TO HELP

The Center employs Registered Nurses, a Support Specialist, and a Certified Health Educator to assist you from 7:30 am to 4:30 pm Monday-Friday.
