Security Notice

For site security purposes and to ensure that this service remains available to the largest possible number of visitors, the NYSCSH employs software programs to monitor network traffic to identify unauthorized attempts to upload or change information, or otherwise cause damage. Anyone using this system expressly consents to such monitoring and is advised that if such monitoring reveals evidence of possible abuse or criminal activity, such evidence may be provided to appropriate law enforcement officials. Unauthorized attempts to upload or change information on our servers are strictly prohibited and may be punishable by law. The NYSCSH also employs software programs to monitor incoming and outgoing network traffic in an attempt to prevent transmission of viruses or other harmful programs from our network to other networks or computers. However, NYSCSH is not responsible for any damages that result from malicious programs that are transmitted through our network.

Social Media

NYSCSH social media sites serve as communication tools for the Center. They are subject to NYS public records laws. Any content maintained in a social media format is a public record. Comments posted to this page will be monitored and NYSCSH reserves the right to remove inappropriate comments including those that have obscene language or sexual content, threaten or defame any person or organization, violate the legal ownership interest of another party, support or oppose political candidates or ballot propositions, promote illegal activity, promote commercial services or products or are not topically related to the particular posting. Posted comments and images do not necessarily represent the views of NYS Center for School Health. If you are looking for official NYSCSH information, please go to: www.schoolhealthny.com.

Vendor Notice

The NYSCSH does not endorse individual vendors, products or services. Therefore, any reference herein to any vendor, product, or service by trade name, trademark, manufacturer or otherwise does not constitute or imply the endorsement, recommendation or approval of the NYSCSH.
