

**New York State Center for School Health**  
*Supporting Student Success Through Health and Education*

Dear Colleague,

The NYSCSH is a technical resource office for the NYS Education Department. For over two decades, we have focused on providing assistance and resources to school nurses and school medical directors. In 2016, the Center broadened support to include school health educators and those who oversee health education.

Center resources include:

- Website with resources and tools at: [www.schoolhealthny.com](http://www.schoolhealthny.com) Resources include school health care delivery and education best practices in coordinated school health.
- Email and Phone Support Monday – Friday. 7:30 am to 4:30 pm by Registered Nurses, a medical director consultant and certified school health educator.
- Online learning through our Learning Management System(LMS) at [www.schoolhealthnylearn.com](http://www.schoolhealthnylearn.com)
- Professional Development Seminars that provides evidence-based tools and resources.
- Email subscription list called HIP for (Health Information Portal) with NYSED updates and resources.
- Facebook Groups for School Nurses, Medical Directors and School Health Educators at [www.facebook/nyscsh](http://www.facebook/nyscsh)

We encourage you to visit our website, subscribe to our email list, earn CTLE through our LMS or Professional Seminars and follow us and join a group on Facebook. Please feel free to contact us by email or phone.

Sincerely,

Linda Khalil, MEd. BSN, RN  
Director, New York State Center for School Health  
Contracted Resource Office of the NYS Education Department

# Your Colleagues Got HIP. Did YOU?

The NYSCSH (NYS Center for School Health) email message system called (**HIP**) is the primary source for health education, regulations, guidance and resources from the New York State Education Department.

It is one of the MANY resources we provide in addition to support and resources through our website, email and hotline. Our staff includes registered nurses and a NYS Certified Health Education Teacher. In addition, we offer free training in our Learning Management System and offer annual School Health Seminars held in October. Both provide CTLE credits..

Go to  
[www.schoolhealthny.com](http://www.schoolhealthny.com)  
to get **HIP NOW!**
