

2019 Professional School Health Seminars Overview

School Nurses, Health Educators, School Medical Directors, Administrators

What you'll learn and do

- **Be better prepared for health issues** that impact students' ability to participate in school.
- **Obtain evidence-based resources and strategies** to support students with mental and behavioral health concerns.
- **Discover evidence-based models, programs and strategies** for teaching health and wellness.
- **Examine your role in emergency and communicable disease response.**
- **Obtain up-to-date information about NYS requirements** for providing school health care and health education.
- **Learn about the resources currently available** to help you enhance what you currently do, at little, to no, extra cost.
- **Connect and share ideas** with your colleagues from districts across NYS.
- **Create action plans** to solve challenges in your office, classroom, school, and district.

When and where you'll learn

- **Tuesday, October 22, 2019** Hauppauge, NY
- **Thursday, October 24, 2019** Barryville, NY
- **Monday, October 28, 2019** New Hartford, NY
- **Wednesday, October 30, 2019** Corning, NY
