

# Webinar Series

**Webinar Title: Domestic/Intimate Partner Impact On Children and Youth Length: Self-Paced CTLE: 1 Hour**

The NYS Center for School Health is a contracted office of the NYS Education Department, and provides school health professionals, with current research and resources to assist you in your daily practice.

Each webinar contains a pre-test and post-test to help you track your learning progress.

The webinar will begin upon completion of the SurveyMonkey Pre-Test. You may stop and restart at any time and will not need to repeat the pretest if using the same computer.

Upon completion of this webinar and post-test, you will receive an answer sheet to assess your learning and certificate of completion.
