

Welcome to the NYS Center for School Health (NYSCSH) Webinar Series

Webinar Title: Prescription Drug, Opioid and Heroin Use Addiction

Length: 50 minutes

The NYS Center for School Health is a contracted office of the New York State Education Department, and provides resources and support for implementing coordinated school health systems in NYS schools. Our webinars provide school health professionals, health educators and those that oversee health education in schools with current research and resources to assist you in your daily practice.

- Each webinar contains a pre-test and post-test to help you track your learning progress.
- The webinar will begin upon completion of the SurveyMonkey Pre-Test.
- You may stop and restart the webinar at any time and will not need to repeat the pretest if using the same computer.
- Upon completion of this webinar and post-test, you will receive an answer sheet to assess your learning and a certificate of completion.
