Subject: Mandatory McKinney-Vento Homeless Assistance Act Training

Under the federal McKinney-Vento Act as reauthorized by the Every Student Succeeds Act, McKinney-Vento liaisons are required to participate in professional development so that they can better identify and meet the needs of children and youth experiencing homelessness (42 U.S.C. §§ 11432[f][6] & [g][6][A][ix]). **The Department requires that the McKinney-Vento liaison from each local educational agency (LEA)¹ attend one of the professional development sessions (workshop, onsite regional training or webinar) offered by the Department's technical assistance center, NYS-TEACHS, to comply with the federal training requirement.** Federal law also now requires that McKinney-Vento liaisons ensure that LEA personnel providing McKinney-Vento services (e.g., superintendents, registrars, transportation directors, CSE chairs, school counselors, school social workers, principals, school attorneys, and Title I directors, teachers) receive professional development. Liaisons can do this by either providing the training to staff themselves or by ensuring that LEA staff participate in one of the trainings offered by NYS-TEACHS.

NYS-TEACHS offers half-day McKinney-Vento workshops, which are planned for **Albany on November 2 and Rochester on November 7** this school- year. Please be aware that McKinney-Vento funds and/or Title I, Part A funds may be used for travel-related expenses and staff replacement costs related to your attendance at one of the workshops. In addition to the Workshops and on-site regional trainings, you may also sign-up for hour-long webinars that will be offered throughout the 2018-2019 school year. Information about all of these events, which are free of charge, is available on the NYS-TEACHS website and is updated throughout the year: <http://www.nysteachs.org/trainings/>.
